Autism On The Seas

15 Oak Glen Drive
Shelton, CT 06484

Phone: 800-516-5247

Fax: 888-286-2792

info@autismontheseas.com

www.autismontheseas.com

Hours of Operation: Monday - Saturday 9:00am
to 5:30pm

Services: Autism on the Seas has been in
collaboration with Royal Caribbean
International since 2007 in developing cruise
vacation services to accommodate adults and

families living with children with Special
Needs, including, but not limited to, Autism,
Asperger's Syndrome, Down Syndrome,
Tourette Syndrome, Cerebral Palsy and all
Cognitive, Intellectual and Developmental
Disabilities. These services quickly expanded
to other cruise lines.

We provide **Cruises with our Staff** (selected
from regular cruises throughout the year) that
assist adults and families in accommodating the
typical cruise services, as well as providing
specialized Respite and Private
Activities/Sessions that allow our guests the
use of the ships entertainment venues in an
accommodated and assisted manner. Our
professional Staff (educated, experienced,
background checked and sanctioned by the
cruise lines) accompanies you on your cruise to
provide these amazing vacation and travel
experiences onboard Royal Caribbean,
Celebrity, Disney and Carnival Cruise Lines.
We also provide a "Cruise Assistance Package"
(Cruises without our Staff) on all of the major
Cruise Lines to help accommodate guests who
wish to cruise on their own.

We have developed and maintain an "Autism
Friendly Certification Standard" designed for
cruise lines to ensure their pre-cruise and
onboard services, venues and amenities are
accessible for inclusion and participation by the
autism and developmental disability
community. Training development for Youth
Staff and other Shipboard Staff are customized
to each cruise line and is included as part of the
Certification process. We recruit and provide
Staff that cares for Children, Teens and Adults
with Special Needs onboard cruise ships. Our
staff supplements the cruise line staff (Youth
Centers, Teen Programs, etc.). Our staffing
protocols can be customized to meet the
personnel requirements for each cruise line. We
provide Developmental Disability care
consulting to cruise lines, to support cruise lines
efforts in accommodating these special needs in

compliance with the ADA. We provide Developmental Disability care and accommodation training to cruise line personnel (shipboard and shore side), to support cruise lines efforts in accommodating these special needs in compliance with the ADA. All of our services are customizable to the needs of each cruise line, and partnerships with cruise lines are available for continuous support.

Phone: 917-363-5154
cbaumis@thecamptlc.org
Caroline Baumis' Email
www.thecamptlc.org

Hours of Operation: N/A

Goals: Camp TLC is a free camp experience that connects children in similar circumstances by offering unique ways of learning through recreational and performing arts based activities, developing necessary skills and

building self-esteem as a means to overcome challenges.

Services: Camp TLC provides performing arts and recreational camp free of charge to children who might not otherwise be able to attend a mainstream Camp due to the circumstances in which they are living.

Camp TLC has three models of Camp that we provide in four states:

- Autism model: Camps designed specifically for the needs of children on the spectrum.
- Hospital model (St. Mary's/Children's Inn at NIH): Camps designed specifically for children who remain in hospital settings, unable to depart for a camp experience.
- Foster Care Full Day Camp Model (SoCal HeArts/Leake and Watts): Camps designed specifically for children in foster care settings.
- Holiday Parties are an additional experience we can provide for community partners in the above models; designed to offer a unique holiday celebration for those who might not otherwise have an opportunity.

Target Population: Campers age 6 – 12

Eligibility Criteria: N/A

Megan Streeter's E-mail

<http://www.albany.edu/autism/>

Hours of Operation:

Mon-Fri 8:00am-4:00pm

Goals: The Center for Autism and Related Disabilities at the University at Albany (CARD Albany) is a university - affiliated resource center that brings research and practice together in community settings. CARD Albany provides evidence-based training and support to families and professionals, and through ongoing research, contributes knowledge to the field of autism spectrum disorders.

A hallmark of CARD Albany programs is the integration of research, training, and practice. Staff represent many disciplines- including psychology, education, school counseling, social work, school psychology, and rehabilitation counseling- which contribute to our comprehensive understanding of autism spectrum disorders.

Services: Information about Autism Spectrum

Hours of Operation:

Monday – Friday 7:00 a.m. – 5:30 p.m.

Goals: To prepare individuals with and without developmental disabilities for life success within their family and community.

Our Philosophy: Crossroads Center for Children utilizes interventions from the field of applied behavior analysis (ABA), a branch of psychology and education with a foundation based on scientific analysis of human behavior and learning.

Our Vision: Every student we serve will achieve a full and productive life.

Core Values:

1. Crossroads believes in the dignity and value of all students.
2. Crossroads believes in each student's right to receive the most appropriate and effective education available.
3. Crossroads believes the most positive outcome for our students comes from the implementation of research and data-based teaching strategies.
4. Crossroads believes in the team approach to educate our students, and that parents, students, teachers, school administration and community members are equally important to achieve positive student outcomes.

Services: Preschool, Students ages 5 – 12 with disabilities.

Eligibility for Application: Students are placed by CSE/CPSE. Private pay services also available.

To Apply: Placement in school program is determined by CSE/CPSE; parents should go through that process.

Hours of Operation: Monday-Friday 9-1

Goals: To transform the lives of children, including those with autism and other special needs, and prepare them for learning and life through the application of the Bridges ABA applied behavior analysis program and the incorporation of self contained and integrated classroom instruction and all related services. To ensure that every child becomes engaged in observation, learning and responding with an emphasis on language, communication, social and play skills and the development of independence.

Vision: At Newmeadow, we believe that every child deserves the best education possible to prepare them for the world beyond the classroom. We believe that Bridges ABA is the path to that preparation and the foundation upon which our work on behalf of the children we serve rests. We believe in a learning environment that fosters and focuses on language acquisition and use, social skills development and the importance of play within a warm and caring setting that celebrates and encourages both individual growth and participation as part of a greater social community. Through the application of Bridges ABA, we work with all aspects of a child's development to form a total program that provides for optimal growth and improvement, believing that every child can, will and does learn in their own unique way.

Services: Preschool services in an integrated setting specializing in children with autism and

other developmental disabilities through our unique Bridges ABA program.

Eligibility for Application: Referral by school district committee on special education

Eligibility for Application:

MUST BE: 18 years old or older, have a neurologically-related disability as his/her primary disability, including but not limited to learning disability, head injury, autism spectrum disorder, seizure disorder, cognitive disability, or other neurological issue. Be developmentally ready to make a commitment to a comprehensive residential and community-based program, which includes having the motivation to participate in a work program and the potential to live in a community based setting. Have a basic ability for self-care and social judgment. Not require 24-hour supervision. Have a level of appropriate behaviors and functionality so as to be successful in dormitory style and, eventually, community based living. Have a basic level of judgment and willingness to follow safety and programmatic guidelines and parameters and demonstrate an understanding of when help is needed. Must not have been legally determined to be incapable of making decisions for him/her, due to the appointment of a "legal representative" such as a full or plenary guardian, conservator, or other legal representative that would prevent him/her from fully participating in Vista or Vista related programs. OR If legal representation is in place, the legal representative will be required to sign necessary documents relinquishing certain rights of key day-to-day decisions to the individual, in order for acceptance or continued acceptance to occur.

Webteam Corporation
