

How do I know if my child Needs OT, Speech or PT?

Please join us on November 19th when our Speech and Language Pathologist, *Diana Graviano*, and Occupational Therapist, *Deb Frascatore*, share their clinical speech, occupational and physical therapy experience, expertise in their practice at Saratoga Bridges and their work with families and individuals with developmental disabilities. In addition, our Educational Advocate & parent of two exceptional young men, *Louise Thomas-Churchill*, will be discussing Special Education laws and regulations pertaining to services and supports for children with special needs.

PRESENTORS: Diana Graviano, Speech and Language Pathologist
Deb Frascatore, Occupational Therapist
Louise Thomas-Churchill, Parent and Advocate
