Carol Obloy (center) is a parent of a child born with Down's Syndrome, Secretary of the Saratoga Bridges' Foundation Board of Directors and Executive Director of the National PLAN Alliance (a group of 23 programs in 19 states serving families with adult children with disabilities to plan for the future care of their loved one). She edited the *Pooled Trust Guidebook* and created the *Life Planning Workbook*. She participated in the development of Federal and State Special Needs Trust legislation and gave testimony to Congress regarding the Education for All Handicapped Children.

Ginger Whitman (right) is Eddie's proud Mom, the Vice President of Saratoga Bridges' Foundation Board of Directors and an active volunteer for over 50 years. She has seen the huge trajectory the agency has experienced. Ginger continuously expresses how grateful she is for Saratoga Bridges and for the wonderful people who care for Eddie. She feels a tremendous amount of reassurance and peace of mind knowing the day and residential staff will be there for him throughout the rest of his life. Ginger is an ardent supporter of the agency and wants the community to be aware of the vast amount of services and programs they offer every day.

Christopher Spratt (left) is the current President on Saratoga Bridges' Foundation Board. He is brother and guardian to a sibling who has a developmental disability. Chris is the Chair of the Joyce Spratt Memorial Golf Outing, a fundraiser in honor of his mother Joyce, where 100% of the proceeds are donated to Saratoga Bridges. Also, Chris has served on the Warren Washington and Albany's Guardianship Committee Board. He is a Financial Planner with MetLife in Latham, NY and currently lives in Wilton, NY with his wife and 4 children.
