

saratoga bridges

Do you have Blankets

that do not get used anymore?

ACE will be holding a Blanket Drive
November 16th through November 20th

that will be donated to

The Shelters of Saratoga

There will be a box in the Admin and Alpha Buildings lobbies

With winter approaching there will be many without homes that need something to keep warm during the storms.

Please consider donating used blankets to the cause!

And please remember to wash them before donating.

Thank you!
