

Saratoga Bridges Alpha Day Program's Safety Plan, Policy and Procedures

Saratoga Bridges has taken steps to limit the spread of the COVID-19 virus throughout the Alpha Day Program. Until further notice, the Alpha Day Program will be operating with 78 people or less as of August 17, 2020. Every employee and visitor to the building will be required to follow these procedures:

1. Reception/Lobby

- a. All employees and visitors must wear a face covering upon entering the building through the main entrance. All other doors will be locked. The covering must remain in place until the employee/visitor reaches their destination while maintaining at least a 6 foot distance from all other people. An approved face covering will be available to anyone in need.
- b. All employees and visitors must sign in at the screening station.
- c. All employees and visitors must take their temperature with the provided no-touch thermometer.
- d. Any employee with a temperature of 100°F or higher must complete the sign in procedure then immediately leave the building and contact their direct supervisor. The employee will not be allowed access to any agency facility until cleared by their health professional.
- e. Any visitor with a temp of 100°F or higher must complete the sign in form and then wait to speak with the receptionist. The receptionist will instruct to seek the advice of their health care provider.
- f. The receptionist will notify the HR Department of anyone who has a temperature of 100°F or higher.
- g. The visitor will not be allowed access to any agency facility until they a health care professional's documented clearance paperwork.
- h. The receptionists will maintain a copy of all sign in sheets.

2. Kronos/Mailbox area

- a. The entire area will be restricted to 1 person at a time.
- b. The time clock will be used by 1 person at a time.
- c. 6 feet markers will be placed for time clock usage.
- d. With more than 1 staff member signing in or out at the same time, a distance of at least 6 feet must be maintained.
- e. Staff must use hand sanitizer before and after using equipment.

3. Receptionist' Office/Fax Machine/Printer

- a. The fax machine and printer will be restricted to 1 person at a time.
